You can wipe your furniture with a damp cloth. Protect from direct sunlight. Avoid contact with hot surfaces, alcohol and all alcohol-containing liquids, prevent prolonged contact of water with the surface.

# Original & Modern.

The chair designs, which attract attention with their original forms, emphasise comfort, while the console decorated with modern lighting elements emphasises functionality. Bodrum brings a timeless aesthetic to the spaces with its complementary design.

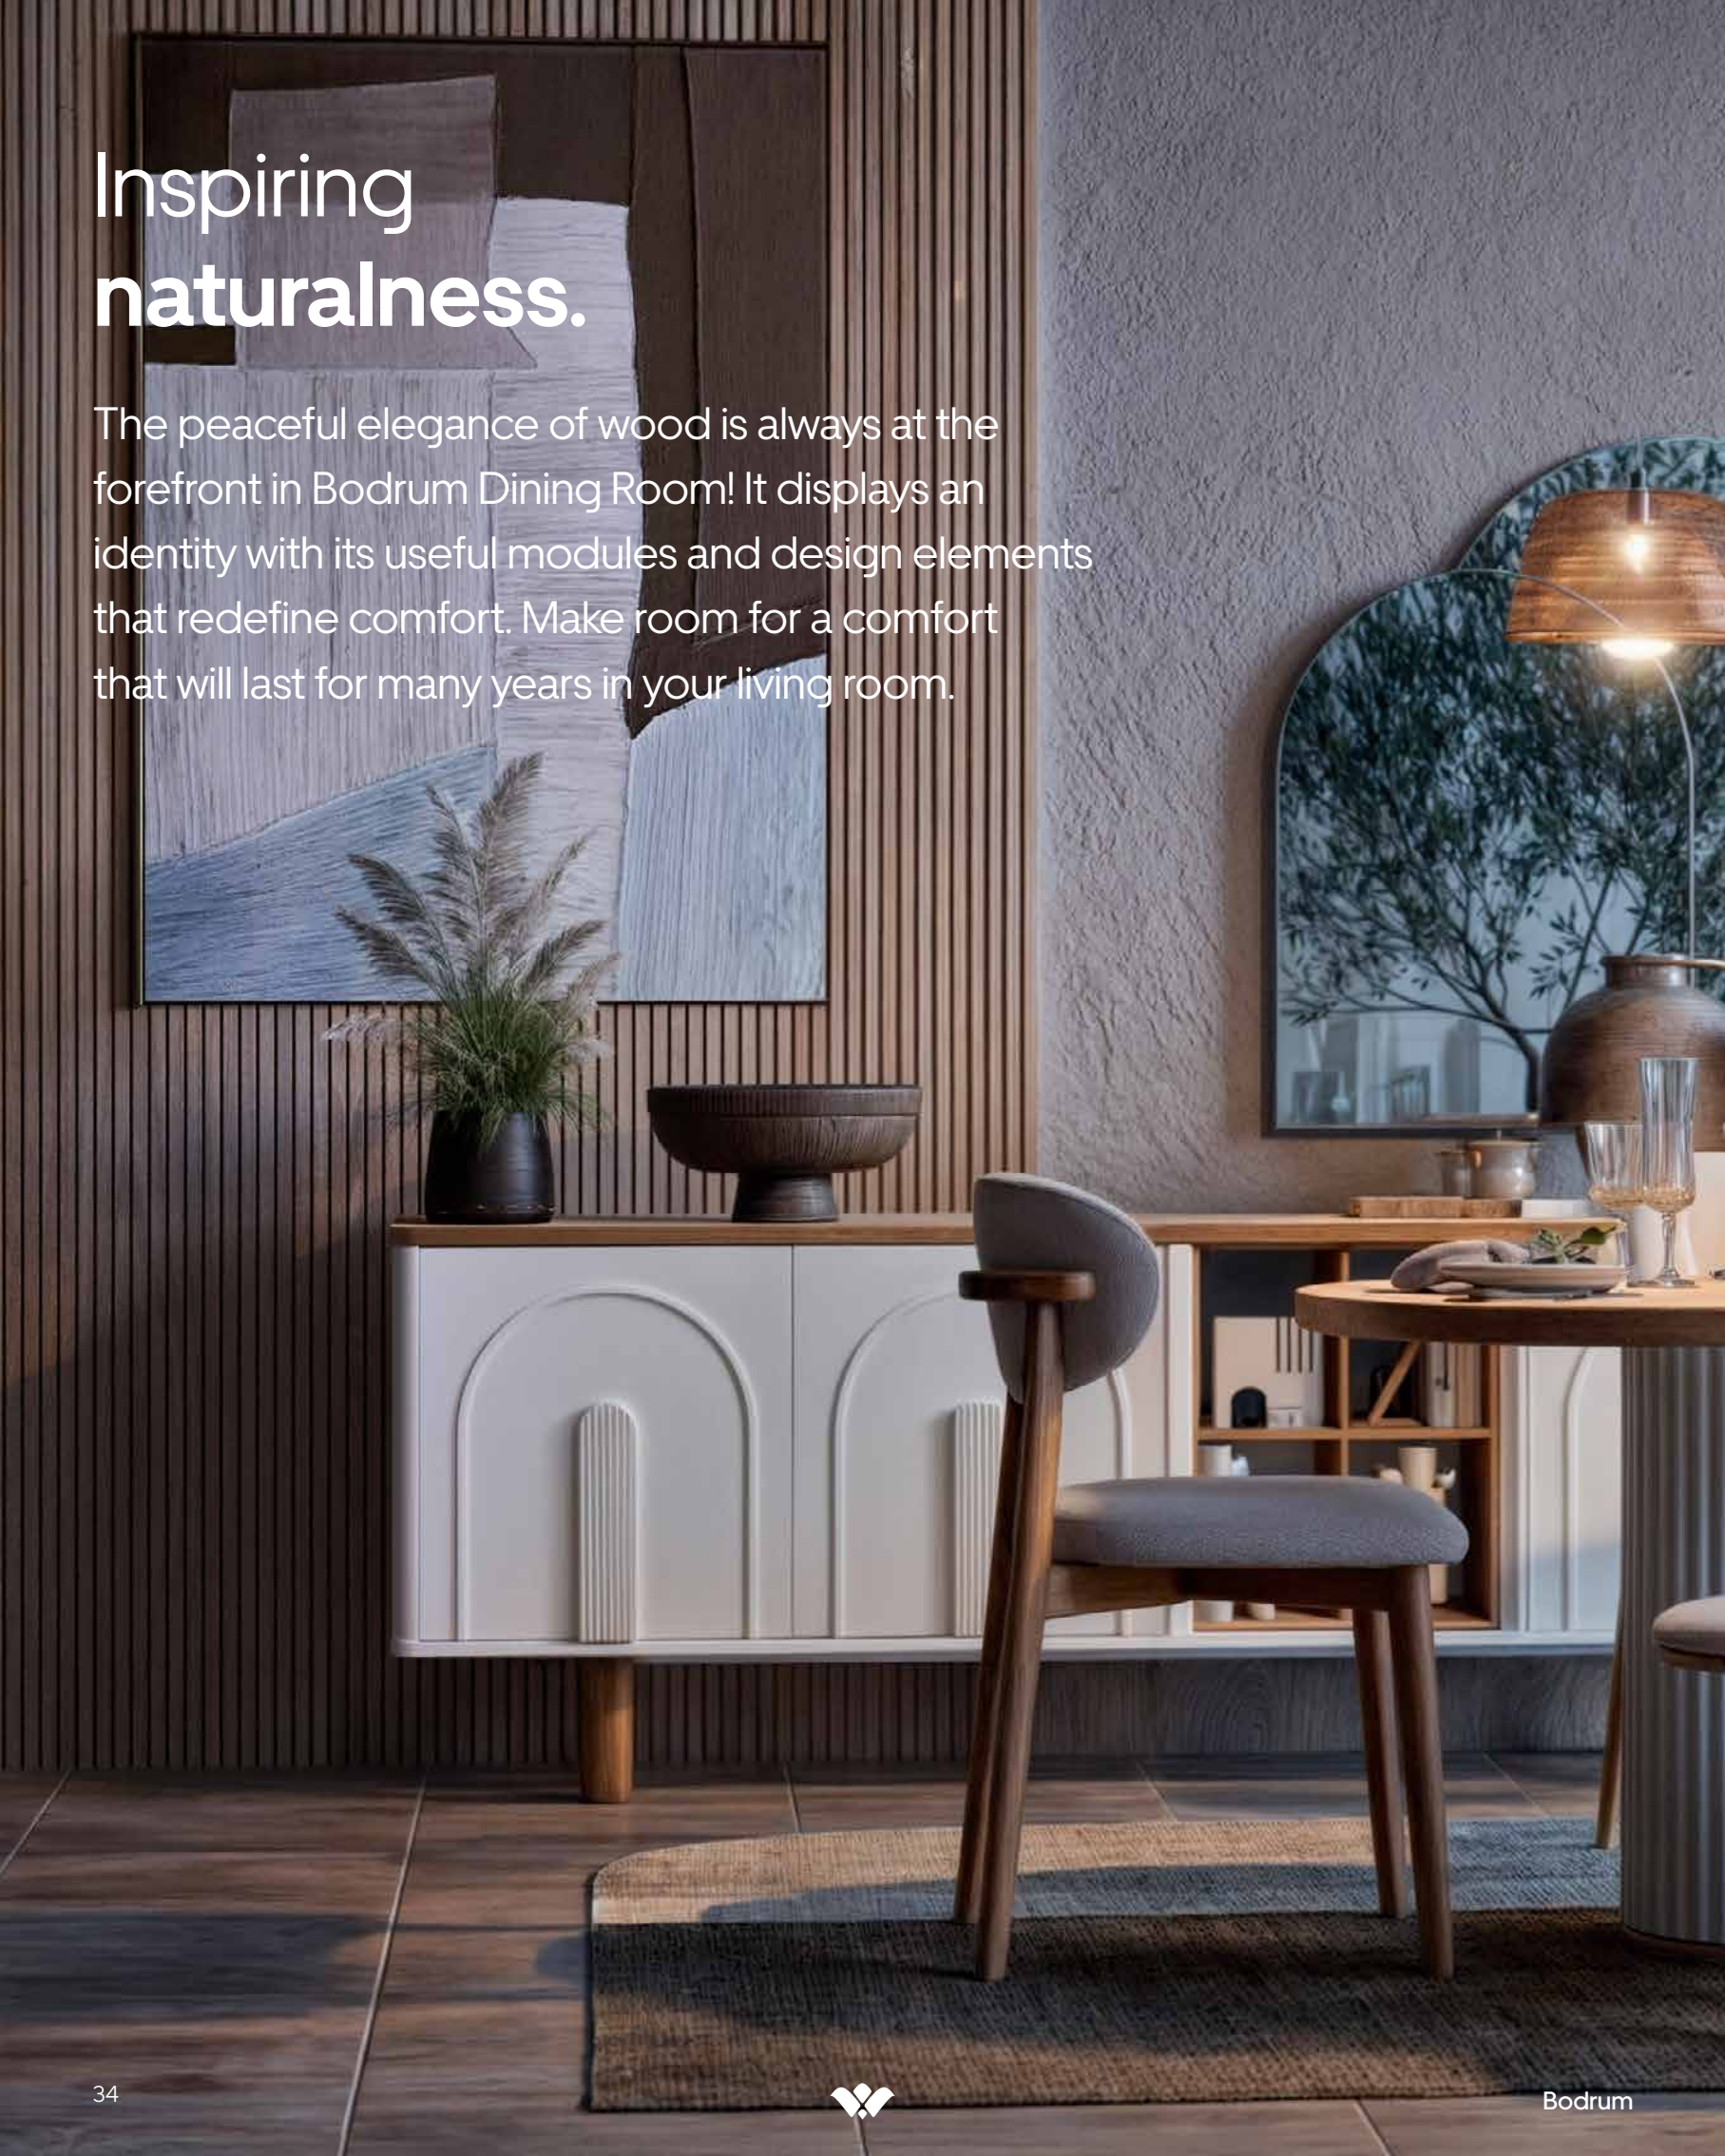

# Inspiring naturalness.

The peaceful elegance of wood is always at the forefront in Bodrum Dining Room! It displays an identity with its useful modules and design elements that redefine comfort. Make room for a comfort that will last for many years in your living room.

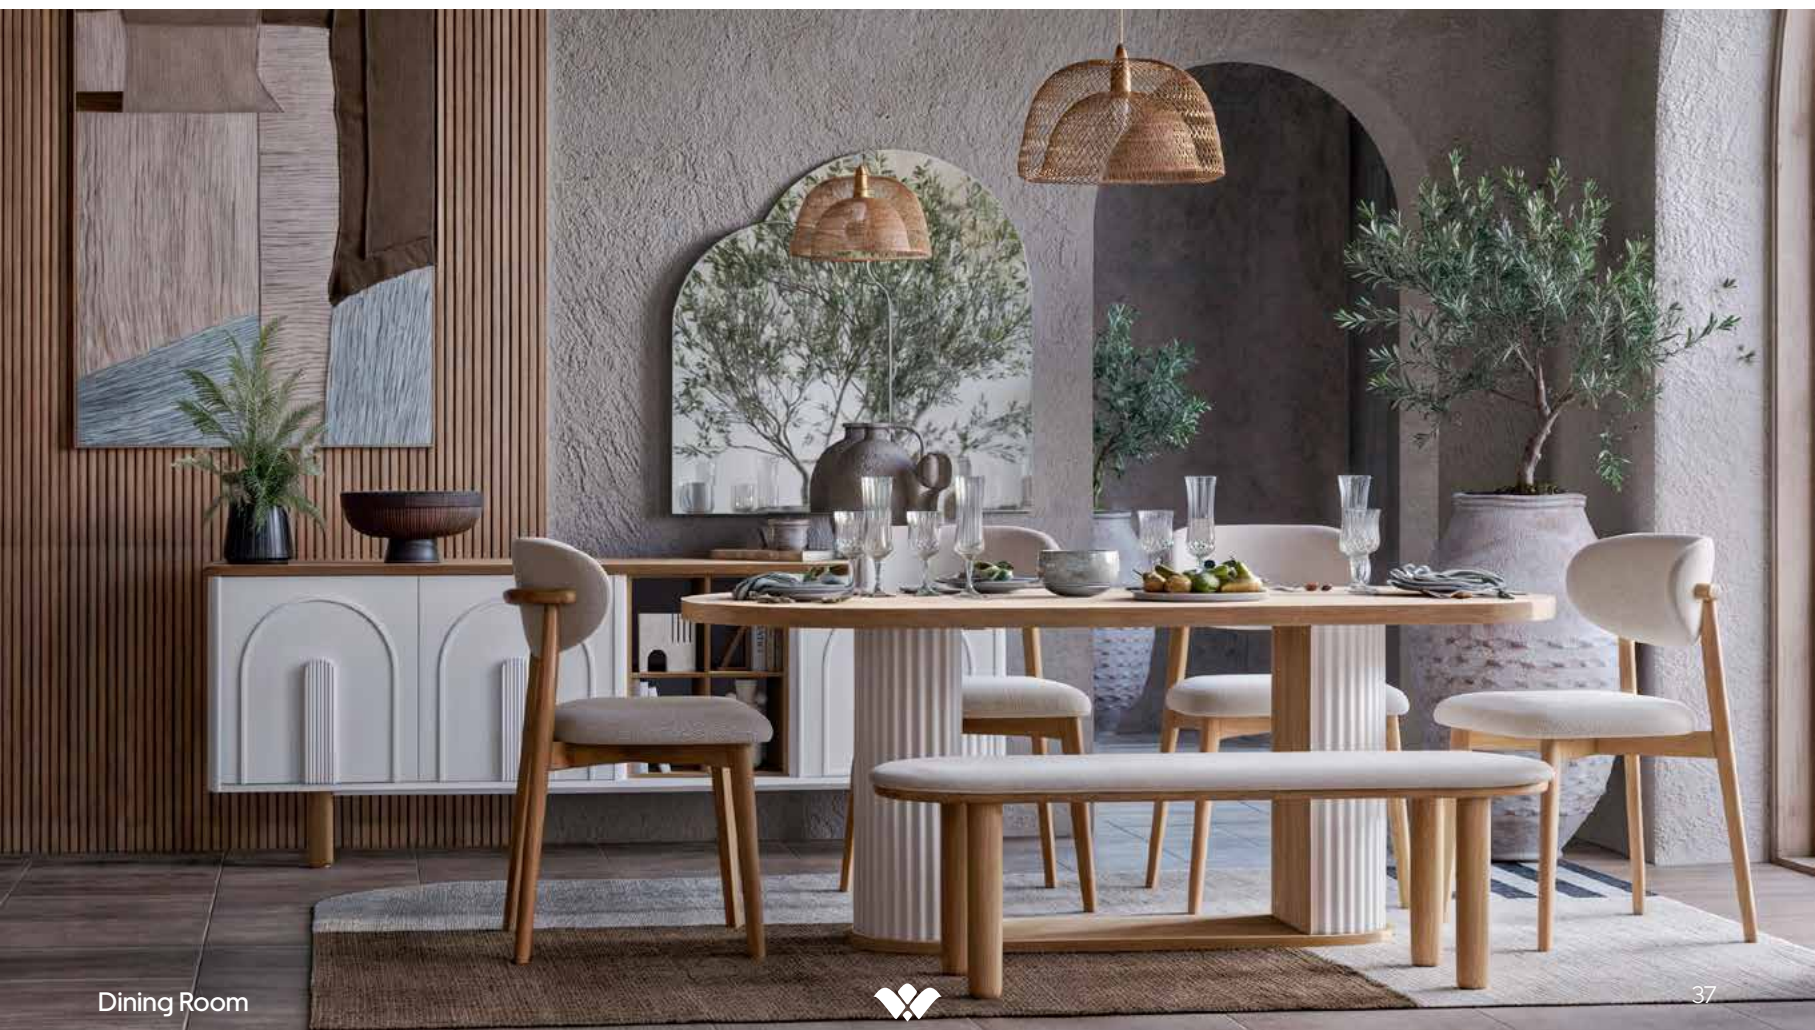

## Bohemian style Convenience

With solutions that provide more seating and service area with the bench offered in addition to the chairs, it will stand out with its elegance and functionality in your crowded invitations.

# Functional Features

The modern table and chairs meet the expectations of ergonomics and functionality. The console, which creates a wide usage area for dinnerware and presentation accessories, also stands out as a sophisticated decoration element with its double mirror. The service life is increased with the brake hinges used on the covers

## Production Details.

The product console is made of 1st quality melamine coated particle board and MDF profile is added on the doors. Soft process is applied on the drawer fronts of the product for both visual and handle purposes. Console legs are produced from 1st quality dried and dehumidified beech wood painted. The fixed table top is made of melamine-coated particle board material with half-moon CNC machined edges. Metal tensioning is used under the table to prevent stretching, and the legs are PVC coated on painted MDF. The upper back part of the chairs is bent particle board and CNC machined. It is covered with sponge and fabric.
